PERSONAL PROFILE

I am a self-development-oriented student with a strong interest in technology and digital creativity. I am passionate about photography as a medium for visual exploration. I am accustomed to working both independently and collaboratively, adaptable to change, and uphold responsibility and discipline. I am highly motivated to continuously develop and contribute through improving my technical and soft skills.

EDUCATION

SDN Taman Pagelaran	(2015-2021)
SMPN 1 Ciomas	(2021 - 2024)
SMKN 1 Ciomas	(2024 - sekarang)

EXPERIENCE

- Dicoding x DBS Foundation Bootcamp (2025)

Attended a digital skills development bootcamp by learning technology fundamentals, problem-solving, and working on structured projects. Trusted as a Front-End Developer & Web Designer on the project team.

- Dicoding x DBS Foundation Bootcamp (2026)

Attended another technology training program with a focus on Data Analyst, covering data processing, analysis, and visualization to support data-driven decision-making.

- IDCamp Program (2025)

Attended training in information technology to improve basic programming, analysis, and self-learning skills.
